

A wide-angle photograph of the Golden Gate Bridge in San Francisco, taken from a low angle looking across the water. The bridge's iconic orange-red towers and suspension cables are prominent. The sky is a mix of blue and orange, suggesting sunset or sunrise. The city of San Francisco is visible in the background on the hills.

# International Conference on Accelerators and Large Experimental Physics Control Systems (ICALEPCS) October 6-11, 2013

**Peg Folta  
Program Chair**

ICALEPCS 2013
