

LINAC2024 Conference Committees

Conference Co-Chairs

John Byrd (Argonne National Laboratory)

Sam Posen (Fermi National Accelerator Laboratory)

Scientific Programming Committee

Chair: Marion White (Argonne National Laboratory)

Alexander Aleksandrov (Oak Ridge National Laboratory)

Sandra Biedron (University New Mexico)

Kip Bishofberger (Los Alamos National Laboratory)

Graeme Burt (Cockcroft Institute)

John Byrd (Argonne National Laboratory)

Enrica Chiadroni (Istituto Nazionale di Fisica Nucleare)

Yong-Sub Cho (Korea Atomic Energy Research Institute)

Stefan Choroba (Deutsches Elektronen-Synchrotron)

Paolo Craievich (Paul Scherrer Institut)

Jean Delaysen (Old Dominion University)

Hiroyasu Ego (Institute of Modern Physics, CAS)

Alberto Facco (Istituto Nazionale di Fisica Nucleare)

Dan Faircloth (Rutherford Appleton Laboratory)

Robin Ferdinand (Grand Accélérateur Nat. d'Ions Lourds)

Shinian Fu (Institute of High Energy Physics)

Frank Gerigk (European Organization for Nuclear Research)

Anthony Gonsalves (Lawrence Berkeley National Laboratory)

Lars Groening (GSI Helmholtzzentrum für Schwerionenforschung GmbH)

Edda Gschwendtner (European Organization for Nuclear Research)

Yuan He (Institute of Modern Physics, CAS)

Dong-O Jeon (Institute for Basic Science)

Walid Kaabi (Laboratoire de l'Accélérateur Linéaire)

Osamu Kamigaito (High Energy Accelerator Research Organization)

Shigeru Kashiwagi (Tohoku University)

Sang-Ho Kim (Oak Ridge National Laboratory)

Geoffrey Krafft (Thomas Jefferson National Accelerator Facility)

Robert Laxdal (TRIUMF)

Matthias Liepe (Cornell University)

Yuanrong Lu (Peking University)

Catherine Madec (Commissariat à l'Énergie Atomique)

Kinsho Michikazu (JPARC)

Peter Ostroumov (Michigan State University)

Yuji Otake (Spring-8)

Paolo Pierini (European Spallation Source)

Deepak Raparia (Brookhaven National Laboratory)

Tor Raubenheimer (SLAC National Accelerator Laboratory)

Alwin Schempp (Goethe Universität Frankfurt)

Nikolay Solyak (Fermi National Accelerator Laboratory)

Purushottam Srivastava (RRCAT)

Chuanxiang Tang (Tsinghua University in Beijing)

Sami Tantawi (SLAC National Accelerator Laboratory)

Dong Wang (Shanghai Institute of Applied Physics)

Hans Weise (Deutsches Elektronen-Synchrotron)

Leo Weissman (Soreq Nuclear Research Center)

Vyacheslav Yakovlev (Fermi National Accelerator Laboratory)

Yoshishige Yamazaki (Michigan State University)

International Organizing Committee

Chair: John Byrd (Argonne National Laboratory, United States)

John Barnard (Lawrence Livermore National Laboratory, United States)

Winfried Barth (GSI Helmholtzzentrum für Schwerionenforschung GmbH, Germany)

Dan Berkovits (Soreq Nuclear Research Center, Israel)

Graeme Burt (Lancaster University, United Kingdom)

Enrica Chiadroni (Istituto Nazionale di Fisica Nucleare, Italy)

Eric Colby (Department of Energy, United States)

Hakan Danared (European Spallation Source, Sweden)

Jean Delaysen (Old Dominion University, United States)

Alberto Facco (Istituto Nazionale di Fisica Nucleare, Italy)

Robert Garnett (Los Alamos National Laboratory, United States)

Terry Garvey (Paul Scherrer Institut, Switzerland)
Pei Guoxi (Institute of High Energy Physics, China)
Kevin Jones (European Spallation Source, Sweden)
Heung-Sik Kang (Pohang University of Science and Technology, Korea)
Dinakar Kanjilal (Inter-University Accelerator Centre, India)
Shigeru Kashiwagi (Tohoku University, Japan)
Robert Laxdal (TRIUMF, Canada)
Peter McIntosh (IOC Chair, United Kingdom)
Hidetomo Oguri (Japan Atomic Energy Agency, Japan)
Peter Ostroumov (Michigan State University, United States)
Nicolas Pichoff (French Alternative Energies and Atomic Energy Commission, France)
Fulvia Pilat (Oak Ridge National Laboratory, United States)
Milorad Popovic (Fermi National Accelerator Laboratory, United States)
Deepak Raparia (Brookhaven National Laboratory, United States)
Tor Raubenheimer (SLAC National Accelerator Laboratory, United States)
Ulrich Ratzinger (Goethe Universität Frankfurt, Germany)
Masanori Satoh (High Energy Accelerator Research Organization, Japan)
Stan Schriber (By-laws Host) (Michigan State University (Retired), United States)
John Seeman (SLAC National Accelerator Laboratory, United States)
Alessandro Variola (Istituto Nazionale di Fisica Nucleare, Italy)
Maurizio Vretenar (European Organization for Nuclear Research, Switzerland)

Yoshishige Yamazaki (Michigan State University, United States)
Hans Weise (Deutsches Elektronen-Synchrotron, Germany)
Carsten Welsch (University of Liverpool, United Kingdom)
Marion White (Argonne National Laboratory, United States)

Local Organizing Committee

Chair: Kent Wootton (Argonne National Laboratory)

John Byrd (Argonne National Laboratory)
Lynnean Celmer (Argonne National Laboratory)
Anita Garcia (Argonne National Laboratory)
Tammy Gloss (Fermi National Accelerator Laboratory)
Kelly Jaje (Argonne National Laboratory)
Kathy Harkay (Argonne National Laboratory)
Branko Popovic (Argonne National Laboratory)
Sam Posen (Fermi National Accelerator Laboratory)
Charles Thangaraj (Fermi National Accelerator Laboratory)
Marion White (Argonne National Laboratory)

Editorial Team

Editor-in-Chief: Kelly Jaje (Argonne National Laboratory)

Kip Bishofberger (Los Alamos National Laboratory)
Ryan Brody (Argonne National Laboratory)
Gustavo Bruno (Argonne National Laboratory)
Jan Chrin (PSI)
Cathy Eyberger (Argonne National Laboratory)
Maggie Montes (SLAC National Accelerator Laboratory)
Denise Skiadopoulos (Argonne National Laboratory)
Ling Wang (Michigan State University/FRIB)
