

Wireless Internet of Thing Application in the TLS

C. H. Kuo, C. J. Wang, T. Y. Lee, W. U. Lin, Y. K. Lin, S. Fann, H. H. Chen, B. Y. Chen, H. C. Chen, S. J. Huang, C. S. Huang, J. A. Li

Wireless distribution:

Easy distribution

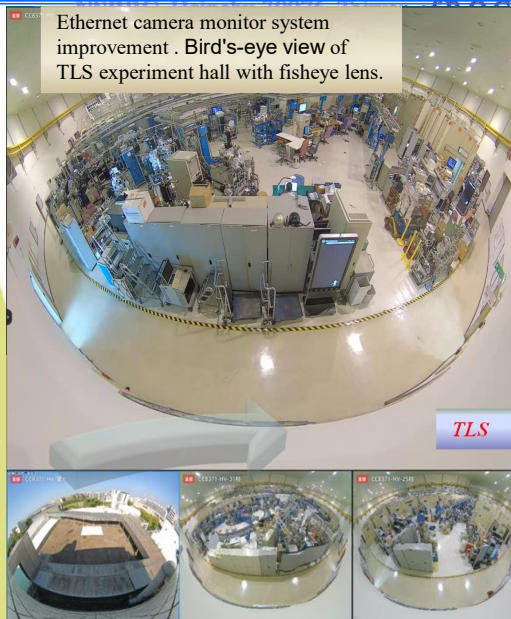

Low cost

High resolution temperature sensor

High precision temperature sensor without calibration

Wireless reliability improvement policy

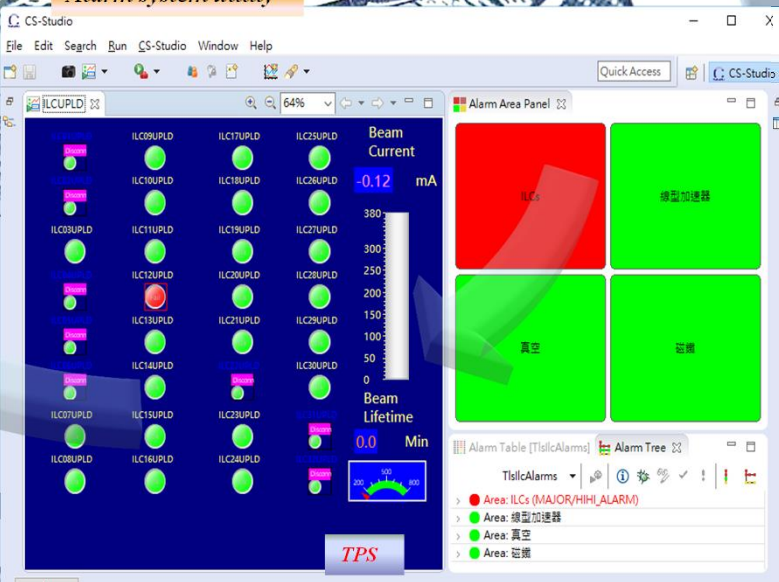

Ethernet camera monitor system improvement . Bird's-eye view of TLS experiment hall with fisheye lens.

Hundred dollars Application

Alarm system utility

Various detector drive Wifi remote control
